Please read the following information carefully:

The following courses are open to Exchange students provided they meet the language level requirements and prerequisites.

Exchange students can register for any of the courses regardless of their year of study as long as the class is compatible with their timetable.

Double degree students are required to take all the courses that 'standard' students take in order to complete the requirements for the INSA diploma.

Please note that places are limited and subject to availability and approval by the International Relations correspondent of the INSA Humanities department (Centre des Sciences Humaines).

For further information, please contact Joseph Shea (joseph.shea@insa-toulouse.fr).

Students may not attend any class without prior approval of their registration.
